From the Baron & Baroness

Many, many thanks to those who traveled to the Shire of Drygestan on September 13th for the Queen's Prize Tournament. We had twelve in attendance from our fair Barony as sponsors, entrants, and supporters. Our own Honorable Lord Takashi won the over all Queen's prize with his cast bronze horse barding. All of our entrants faired well winning great recognition for their splendid wares.

In addition, the Honorable Lady Lughbec was offered elevation to the Order of the Laurel peerage at this Tournament. The ceremony is set to happen at the Kingdom A&S Collegium on October 11th in the Barony of Caerthe. We encourage all to attend the Kingdom A&S event. The classes offered will be very rewarding, and we encourage all to support THL Lughbec at this proud moment.

On October 4th Unser Hafen will host our annual Newcomer's Event. Many special activities are planned. Come out, meet the newcomers, and join us all in a day of great fun. This is a great event for everyone no matter how experienced you are, so don't miss it and don't forget to introduce yourselves to our newer members.

We are continually amazed at the talented and dedicated individuals who make up our great Barony. We would especially like to thank Master Tamlene, Lord Robert Stewart, Lady Killinen, and Lady Angelina, whose constant supply of tournament prizes these last few months has enriched our Barony so well. You help make our lives in these current middle ages fun.

We are in service to the Crown, the Kingdom, and Unser Hafen,

Officer's Reports

Unto all who come these presents, greetings from Rashiqah Amatulbaari bint Azhar

Many decisions were made at the September populace meeting, and I'd like to share them with you. The officers decided to sell the Baronial pavillion (the GP medium tent) due to its poor condition. We had a great offer for it and were able to sell it for more than it cost the Barony originally. At populace meeting, we discussed what to do with the money - save it, use it to buy/make a shade pavillion, use it to buy/make another tent. The overwhelming preference was to save the money for 6 months to a year and to encourage individuals and households to bring shade pavillions to share.

The next topic we discussed was the disposition of the Baronial trailer. Currently, the top of the trailer needs repair and reconstruction. Also, it isn't really suitable for long distance towing. At Defender this past August, it was extremely difficult to find someone to bring the trailer home. Among the options proposed were rebuild the trailer, buy a new trailer, and scrap the trailer. We really do need some way to store and haul tables for events. Therefore, the Barony is likely to either rebuild the current trailer and keep it for local hauling only or buy a new trailer for local and long distance hauling. Mistress Theresa and THL Takashige are looking into these two options.

The final major discussion concerned the winter fighter practice. We are in continuing discussions with CSU regarding their rules for use of the field house. CSU would like us to restrict attendance to adults only - no minors. Needless to say, that rule poses a significant problem for us. There are several leads we are pursuing - Fergusson High School in Loveland and the Aztlan Center in Ft. Collins. Regardless, we will try to continue to have war practices at the Field House.

Finally, the October officer's meeting will be the planning meeting for the next year. I would ask that all of you consider what events you would like to see next year and how we can combine events or expand events. Please also consider if you are interested in autocratting or acting as head cook for an event. Lady Wenhauer (my successor for next year) is collecting ideas and suggestions. Everyone is invited to attend and participate in this very important meeting.

Good Gentles of Unser Hafen - the archery season will be ending in November at which time I will return the office to Lord Con. Until then, I will call around to have an IKAC or two while the weather is favorable. Hopefully, we can submit a few more IKAC scores before the end of the season. I have enjoyed being your Captain of the Archers and look forward to continue as an archer in service to the Barony of Unser Hafen

Lady Angelina Crispiana d'Saignon

The Tosspot

Greetings from the Quartermaster:

I am once again taking another survey of all Baronial property. If all good gentles could let me know if you have anything belonging to the Barony, I would appreciate it. I am also hoping that some of the people who told me that they have some lost and found would call me so that we could get the property hopefully to it's owners. You can reach me at 224-2639, 925 Glenmore Dr. #521, Ft. Collins, 80521.

In service to the Barony,
Lord Gunther der Wanderer

Greetings from the Minister of the Lists (MOL):

First, I would like to thank those gentles who have helped me this past month run the tournaments. It was greatly appreciated. We had four tournaments in August. In the heavy weapons tourney, it was double elimination random draw and random weapons drawn. The fighters also had to run for the weapons if they were to get first choice. Lord Takashi was the overall winner. Lord Tuman won the Defender title. The fencing tourney was a round robin. The overall winner was Lord Robert Stewart and the new protector is Moriyen. Our next tourney was Fields of Gold. In the heavy weapons tourney organized by Unser Hafen, Lord Hoegaarden won the standard double elimination tourney. The fencing was a round robin split into two fields. Lady Natailia was the winner.

In service to the Barony,
Lord Gunther der Wanderer

Saturday Sewing Circle

In the month of October on the 18th day, Lady Graine will teach the process of felting wool. As usual we will meet at Lady Wenhauer's house (515 Del Clair) at 1 PM - whenever. Please call to indicate that you will attend 225-2264

Black Smithing Guild

Blacksmithing in October will be a field trip. On Saturday, October 18th, the Rocky Mountain Smiths will have a meeting in the foothills near Denver at Bruce McMillan's shop:

"Toolmaking and Power Hammer Use"

We strongly recommend that people with any interest in smithing attend. Toolmaking is a very useful skill, and a lot of power hammer work can be adapted to a treadle hammer. This is also an excellent opportunity to get aquainted with Rocky Mountain Smiths. RMS typically has meetings every other month. Please come!

Please contact either Thorfinn or Tamlene for directions and to arrange car pooling. We will probably both be going.

Master Tamlene ap Guidgen, guild master (970)663-1513 (Steve Smith)
Master Thorfinn Greybeard (970)667-1284 (Perry Wells)
Master Garwed Cadburiensis (970)542-0890 (George Monsson)

University of Caerthe —August 27

This month the Honorable Lady Llamrei will speak to us on a topic of particular relevance to the Kingdom of the Outlands: the great expedition of Coronado (1540 to 1542) into what would later become our territory - a region known to him as Cibola. Coronado and his people had the mental outlook of medieval European knights, and this strongly influenced the way they perceived the people they encountered. Their horses played a major role in the expedition, not only allowing them to cover a very large area, but making a unique impression on people that had never seen a horse before.

We will meet at 7:30 P.M., October 29, the fifth Wednesday of the month, at Salamander Manor, the home of Mistress Bernice of Brittany - 3495 Newland Street, WheatRidge. All are encouraged to attend. Period garb is optional, but appreciated. For further information, call Mistress Bernice, 233-9558, or Master Robin Vinehall, 444-5004. If you live in Unser Hafen, you can call THL Llamrei at 490-2936.

By the way, when the Principality of the Outlands was being founded, an alternative name proposed for the new group was Cibola.

Japanese Titles in the SCA

By Robin of Bristol

In my studies of Japan and Japanese over the last few years, I have discovered that the SCA recommended Japanese Titles contain several mistakes. The most notable is the suggested use of the -san suffix for Lord and Lady. As you may have noticed, in the Current Middle Ages, we don't use Mister, Miss, Mrs., or Ms. which is what -san is equivalent to. The name suffix that should be used for Lord and Lady is -tono (-dono after some names). One suffix that many of us may have heard is -sama. Considering we are all in the aristocracy, -sama is equivalent to M'lord and M'lady, though today the only use of -sama is in written correspondence.

One of the problems involved in arriving at equivalent titles in other languages, especailly those outside of Europe, is that some of the ranks didn't exist or were quite different. Also there is the difference between the form of address and title such as Your Majesty & Queen Elizabeth II. One item of note on Japanese, their language structure always puts the larger/bigger things first going down to the least important at the end. They put the titles at the end. An example of this is Miyamoto Musashi-sensei (Teacher Musashi from Miyamoto village). Following are some titles and positions. Those in italics I'm not positive on.

SCA Title	Japanaese Title	SCA Address	Japanese Address
King	Kokuou*	Your Majesty	Heika
Queen	*Kouhi*	Your Majesty	Heika
Crown Prince	Koutaishi	Your Royal Highness	Denka
Crown Princess	Koutaishihi	Your Royal Highness	(Hi-)Denka
Prince	Ouji	Your Highness	Denka
Princess	Hime/Oujo	Your Highness	Denka
Duke	Koushaku	Your Grace	Geika
Duchess	Koushaku-fujin	Your Grace	Geika
Count/Earl	Hakushaku	Your Excellency	Kakka
Countess	Hakushaku-fujin	Your Excellency	Kakka
Viscount	Shishaku	Your Excellency	Kakka
Viscountess	Shishaku-fujin	Your Excellency	Kakka
Master/Mistress	Sensei	Master/Mistress	Sensei
Sir	Sensai/*Kishi*	Sir	Sensai/*Kishi*
Baron	Danshaku	Your Excellency	Kakka
Baroness	Danshaku-fujin	Your Excellency	Kakka
Honorable Lord	*Joushu***	Your Lordship	*Tono*
Honorable Lady	*Joushu-fujin*	Your Ladyship	*Tono*
Lord	Tono/*Jitou****	Lord	Tono
Lady	Tono/*Jitou-fujin*	Lady	Tono

*Kokuou=Ruler of a Kingdom **Joushu=Lord of a Castle ***Jitou=Lord of a Manor

All of the Japanese titles are meant to follow the name. All of the addresses are meant to be used alone. Note that some of them are the same. If the person being addressed or refered to is more than a few "steps" higher the suffix -sama should be used as well. Tono may be used by and on any rank on this list. It would be very in keeping with both Japanese and western customs to omit any form of title or address on those gentles who do not yet posses an Award of Arms, or who are of noticably lower rank..

If you care to know the differences between the above and what the SCA suggests, you can check the SCA Heraldry web page (http://www.sca.org/heraldry/titles.html#table9). It is mostly the upper and lower ones that I have heard/researched as different (above Prince and below the peerage). I don't garuntee that this list is 100% accurate, but is is as accurate as I could research.

From the Bofharrach Chronicler

Greetings from the cow pastures,

There has been a decided nip in the air the past couple of mornings, I guess it is time to admit that summer is over. We have been busy and there are a few more fun things still to come!

Those of us who participated in the Highland games demo with Caer Galen had a wonderful time, our Equestrians, Fighters and Artisans gave a wonderful showing. Duke Irel has sends his gratitude for helping out. Congratulations to all who sent their wonderful projects down to Queen's prize tourney, there were many nice compliments and delightful prizes given, and a grand Huzzah to THL Takashige who won the Queen's prize with the awsome strap barding he made for his Lady's horse! The really grand news from this event was that our very TH Lady Lughbec was offered a Laurel! She will be recieving it at the Kingdom A&S College, so be sure to attend.

It is with great saddness that we heard of Baroness Leonora's horse, For Love and Honor, getting sick and dying. Our Hearts and prayers are with her and Syr Deotrich in their loss. Honor was a noble steed and I'm sure that he now occupies a noble place.

Don't forget that we still have some great events coming up including the Unser Hafen Equestrian Championship, Kingdom A&S college, The Black and White ball, and Newcomers revel. Also be sure to mark your calendars and make note of the new schedule and locations for the Bofharrach meetings and fighter practices. Here are the addresses:

Fighter practice on the 2nd and 4th WEDNSDAYS
Evans City Hall Gymnasium
3700 Golden in Evans Co.

Meeting site on the 1st and 3rd TUESDAYs
Brentwood Apartments Clubhouse
2420 reservior road in Greeley Co.

Remember that in October the dates are going to fall in the same weeks so we will be together every other week and then in November we will be back to every week. Also a reminder that the great Cheescake payoff for the Fields of Gold battle will take place at the second fighter practice for October, so if you fought for Bofharrach against Hawk's Hollow and her allies be sure to come and claim your bounty!

Until next time, May your cattle grow thick winter coats!

In Service,
Lady Mogra

Greetings from the Bofharrach Arts and Sciences Officer?

Bofharrach's gathering for the third Tuesday A&S meeting in September was well attended and quite informative. We discussed the Arts and Sciences that we were interested in having teachers for in the near future. We also discussed some of the skills that our members posess that could be taught by some of us to this populace, as well as others.

The Tosspot

Our third Tuesday A&S gathering in October will be at the home of TH Lady Lughbec ni Eoin, 1941 Sixth Avenue, Greeley, CO (970) 353-6782. We will be working on scrolls and scribal arts. Bring any supplies you posess, or call if you do not have any and some will be provided. See the Unser Hafen Scribe's Report for more details.
